GLADIOLUS BULBS

BRIGHTSIDE GLADIOLUS GARDENS

ALBERT LEA, MINNESOTA

Telegraph Address: Glenville, Minnesota.

The prices in this list are figured on a cash basis and do not include payment of postage or express charges on bulbs larger than one inch. If you wish bulbs sent by parcel post be sure to include enough postage, and we recommend that you include enough and have them insured as we do not assume any risk in transit. The shipping weight of bulbs will average about as follows, per 100: No. 1, 8 lbs.; No. 2, 5 lbs.; No. 3, 3 lbs.

Bulbs less than one inch and bulblets sent prepaid.

Terms: 25 per cent cash with order, balance before shipment, or bulbs will be sent C. O. D. 3 per cent discount for full cash with order.

We shall try and meet all legitimate competition, except on the badly mixed stocks of some dealers.

We shall strive to maintain our reputation for furnishing clean, pure, young stock.

While we exert the greatest care to have everything true to name, we will not assume any responsibility for errors that may occur, other than to replace any stock that may prove untrue or refund amount received for same.

The stock of bulbs we offer is practically all one and two years old from the bulblets. A young vigorous bulb about one inch in size is worth more than a large old bulb.

Some of the standard varieties are omitted from this list because early orders have exhausted our stock and it is our policy to sell stock of our own growing.

The following offers are made subject to prior sales:

No charge for packing.

Prices per 1000. 250 at 1000 rate. In lots from 25 to 250 add 10 per cent to 1000 rate. Bulblets one-half pint at quart rate.

MIXTURES

All of our mixtures are graded 1¼ in. and up for largest size as this is the only way we are able to make a first class mixture as many good varieties naturally make small bulbs.
